mosaic

Lincoln's digital hub

Mosaic, Lincoln's digital hub, was developed collaboratively by the digital community in Lincoln, working together with the Lincolnshire Co-op and Lincolnshire County Council.

The digital hub aims to bring different digital and tech businesses together under one roof and encourage an environment of collaboration that fosters innovation and provides a platform for ideas to flourish and businesses to grow.

Mosaic comprises hot desks, dedicated desks and offices for digital and tech businesses to base themselves. It also offers meeting rooms which are available for anyone to hire.

Having a space to innovate, scale and grow enables new employment opportunities in line with business growth, and this will be key to delivering growth for Lincoln, Lincolnshire and our local economy.
